Community Schools Family Engagement: A Cruise on Sodus Bay

On Tuesday, August 13th, North Rose-Wolcott families gathered for a special Community Schools Family Engagement Night. This memorable evening gave families the opportunity to connect, relax, and enjoy a unique experience together aboard the historic Rose Lummis.

The cruise along beautiful Sodus Bay provided a perfect backdrop for conversation, laughter, and community building. Families not only enjoyed the scenic views, but also the chance to spend quality time with one another outside of their everyday routines.

A special thank you to **North Rose-Wolcott Central School District, Pier 53, Save Our Sodus, and Don Ringling** for helping make this event possible. Their support and collaboration ensured a truly memorable evening for all who attended.

Lights On Afterschool Celebration – October 23rd

On Thursday, October 23rd, communities across the nation will take part in **Lights On Afterschool**, a celebration that highlights the importance of afterschool programs. These programs provide safe, supportive, and enriching spaces for students to learn, grow, and explore new opportunities outside the regular school day.

This year's celebration comes at a critical time. With the current funding situation in Washington, it is more important than ever to advocate for continued—and ideally expanded—support for afterschool programming. Every student who wants access to these opportunities should be able to participate, regardless of circumstance. Afterschool programs help close gaps, support working families, and build stronger communities.

By shining a light on the need for sustained funding, we affirm our commitment to ensuring that all students have a safe place to go after school and the chance to reach their full potential.

Join us on October 23rd as we keep the lights on—not just for afterschool programs, but for the future of our children.

A Sweet Success!

Our recent sold-out production of **Charlie and the Chocolate Factory** was a huge hit! With a cast of over **25 talented actors**, from youth to adults, everyone delivered a truly unforgettable performance. We held three shows at the Rose Union Community Building and were overwhelmed by the incredible support from parents and the community.

A special thank you to all the parents who went above and beyond, decorating our venue from head to toe with amazing candy and Wonka-themed decorations. Your creativity made the space magical! We also want to thank our amazing backstage volunteers who helped us with sets and props. This production was a true testament to our community's spirit, and it exceeded all our expectations. We can't wait to see what next year brings!

The graphic has a purple background. At the top center is the 'ROALD DAHL CHARLIE AND THE CHOCOLATE FACTORY' logo in yellow and orange. To the left is a white lollipop, and to the right is a white candy wrapper. Below the logo is the text 'CAST LIST' in a yellow, outlined font.
